Dear Rick & Laura,

Thank you would be an understatement for the fabulous and professional performance by DFE at our wedding reception. Your band was simply amazing, and we had a great time during our wedding reception at The Waterford in King of Prussia. Everyone just loved the band's wedding style and music. I have never been to a wedding before where after a six-hour reception guests still wanted one more song! The band was everything we were looking for and so much more. We are so pleased that you were part of our wedding day.

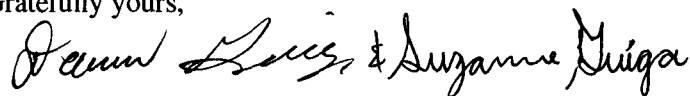

It was very nice to speak with you several times and even meet you the year before our wedding. You truly made us feel that our wedding was important to your band. We can not thank you enough for everything you did for us, from learning a new song for our first dance to helping us organize the musical introductions, etc. Rick & Laura, you truly are the most accommodating, patient, and pleasant people we have ever worked with.

Our guests were awestruck by the talented and professional group of musicians and singers that make up DFE. They did not leave the dance floor. Your range of songs seems to be endless and you definitely motivated every age group to get up and dance.

We receive calls daily with great accolades about the band and what a great time our guests had at the reception. The music makes the event and DFE certainly made our event a night to remember. Your band was everything you promised and much more.

We, along with our families, would be honored to provide personal references to any potential clientel  regarding future events with DFE.

Gratefully yours,
